Term	Definition
Admin	A user role responsible for managing accounts, reviewing and modifying user roles, approving/rejecting job postings, and overseeing platform operations.
Application	The submission made by a student expressing interest in a job listing. It includes a resume and cover letter.
Application Deadline	The final date by which jobseekers must submit their application for a job posting.
Application Deadline Reminder	Notifications sent to remind students when the deadline to apply for a specific job is approaching.
Application Progress	The step-by-step status of a student's job application, such as "Applied," "Interview Scheduled," or "Offer Extended."
Application Status	The current stage of a student's application for a job, such as "Under Review," "Interviewing," or "Rejected."
Campus Recruitment	A program or event where companies visit campuses or universities to hire students directly.
Candidate Pool	The group of applicants who have applied to a specific job or job category.
Career Fair Registration	The process for students to sign up and participate in career fairs hosted on or through the job search website.
Company Profile	A detailed description of an employer, including their values, mission, and available job openings.
Cover Letter	A document that accompanies a student's resume, introducing themselves and explaining why they are suitable for the job.
Employer	The company or organization posting job opportunities on the platform for students to apply to.
Full-Time Job	A permanent, long-term job position, typically requiring 40 hours of work per week.
Hiring Manager	The person responsible for interviewing candidates and making decisions on hiring for a specific job position.
Housing	Information related to the cost and availability of housing near the employer's location, which jobseekers consider when evaluating job offers.
Internship	A work experience opportunity, often short-term, where students can gain practical experience in their field of study.
Interview	A formal meeting between a student and an employer to assess the student's suitability for a job position.
Interview Prep Resources	Materials and guides available on the website to help students prepare for interviews, such as common questions or tips.
Job Alerts	Notifications sent to students when new job opportunities that match their profile are posted.

Term	Definition
Job Alerts Settings	The area where students can customize their job alert preferences, such as frequency, job types, or locations.
Job Application Form	A form that a student fills out when applying for a job, often requesting personal details, work experience, and qualifications.
Job Application Status	The current state of a student's job application, such as "In Progress," "Pending Interview," or "Accepted."
Job Categories	Different industries or types of jobs that students can filter through, such as technology, marketing, or finance.
Job Compatibility	A rating or description indicating how well a student's background and qualifications match a job listing.
Job Hiring Timeline	The estimated or actual time frame during which an employer will review applications, conduct interviews, and make job offers.
Job Interview Feedback	Insights provided by the employer or recruiter after an interview, which may help the student improve for future opportunities.
Job Listing	A job opening posted by an employer on the website. It includes job title, description, and requirements.
Job Market Insights	Information about trends, salary ranges, and demand for specific jobs in various industries, helping students make informed decisions.
Job Match Percentage	A score or percentage that indicates how well a student's profile matches the requirements of a job listing.
Job Offer Acceptance	The process by which a student formally accepts a job offer from an employer.
Job Offer Negotiation	The process where a student may negotiate terms such as salary, benefits, or work schedule after receiving a job offer.
Job Recommendations	Personalized job suggestions based on the student's activity, search history, and profile information.
Job Search Filters	Tools that allow students to filter job listings based on criteria such as location, salary, job type, etc.
Job Search History	A record of jobs that a student has viewed or applied to previously on the website.
Job Seeker Dashboard	A personal page on the website where students can view and manage their job applications, alerts, and activities.
Job Type	The classification of a job, such as full-time, part-time, internship, contract, or freelance.
Jobseeker	A user role focused on searching, applying for jobs, managing their profile, and tracking the status of job applications
Networking Opportunities	Events or activities designed to help students connect with professionals and potential employers in their field.
Part-Time Job	A job position that involves working fewer hours per week than a full-time job, often flexible.

Term	Definition
Profile	A collection of information related to a user, including personal details, work experience, education, and supporting documents like resumes
Public Transport	Information about transportation options near a company's location, including routes, costs, and travel times.
Recruitment Tasks	Actions taken by employers to manage the hiring process, such as posting job listings, reviewing applications, and communicating with candidates.
Resume	A document submitted by the student detailing their academic background, skills, and work experience.
Resume Builder	A tool or feature on the platform that helps students create or format their resume directly on the website.
Salary Expectations	A section where students can enter or adjust their anticipated salary or hourly wage for the roles they are interested in.
Salary Negotiation Tips	Advice and strategies provided to students for negotiating their salary when offered a job position.
Salary Range	The expected or offered salary for a job, typically displayed as a minimum and maximum amount.
Search Results Filters	Filters available to narrow down job listings based on specific criteria like job type, salary, experience level, etc.
Skill Endorsement	A feature where employers or colleagues can vouch for specific skills listed on a student's profile.
Student Profile	The personal and professional details submitted by the student, including education, experience, and skills.
Student Testimonials	Personal stories and feedback shared by past students who have used the platform to find jobs or internships.
